

# The Rusty Rudder Miracle Monday Interest Form

The Rusty Rudder loves to support charitable events and groups where and when we are able to. To process your interest quicker please see below:

**Miracle Monday participants:** Miracle Monday is an exclusive Rusty Rudder event where each Monday of the month, one charity is chosen to benefit and will receive 10% of the entire proceeds from each Monday of that month. Only one charity/non-profit benefits per month. The more participation from the nonprofit - both in person on-site and on social media - only helps raise more funds for your organization. Dining for a cause!

If your nonprofit is chosen, your organization is required to attend each Monday from approx 5-7pm with information on the organization and have a staff member/volunteer on hand to explain where the funds you receive go. We have a table you can use to set up any information you want out on-site while there. Prominently display and include your custom Miracle Monday logo or the Rusty Rudder Logo on your websites and social networks. Please have your organization connect with The Rusty Rudder and promote our involvement with your organization on Facebook, Twitter and Instagram by posting messages pre-event, during and post event.

Once the month is complete, you will be required to pick up your check from the restaurant and take a photo with our owners for their Miracle Monday photo book. Thank you for thinking of The Rusty Rudder.
